# *Pompano Beach*

## *Florida's Warmest Welcome*

Pompano Beach, just north of Ft. Lauderdale boasts some of the most beautiful beaches, with calming breezes and clear waters. We are also home to the world famous Goodyear Blimp!

Pompano Beach is named after a species of inshore tropical game fish which swims abundantly in our warm Atlantic waters. At the renowned Hillsboro Inlet, you'll not only find the historical Hillsboro Lighthouse, but a fishing fleet that offers some of the best sport fishing. For divers, Pompano Beach is the "wreck capital" of Florida with several ship wrecks and miles of fabulous colorful reefs. Pompano Beach offers a variety of water sports from kayaking to kite surfing.

For the golf enthusiast, the new Greg Norman Signature Pines Course along with the challenging Palms Course will accommodate all skill levels. The Pompano Beach golf facility offers a full practice facility, PGA Professional instruction, club fitting and a fully stocked golf shop. Also, visit Palm Aire Country Club where you can choose from three championship courses.

The Pompano Beach Municipal Tennis Center offers 16 clay courts for day and night play. Hard clay courts are available at 7 other City locations.

On the newly redeveloped Atlantic Boulevard and beach, kids can enjoy the beach playground or the interactive water fountain while parents exercise or relax on the great lawn all overlooking the ocean.

Choose from a variety of accommodations; a charming studio, a traditional 4-star beachfront hotel perfect for a quick getaway, beach wedding or anything in between.

Dining in Pompano Beach is always a culinary experience. There are many small quaint restaurants and bistros to choose from, and some of the best fine dining in the area.

There are always fun events and festivals happening around the City. Visit the Green Market every Saturday morning from mid October until the end of April. Enjoy Bailey Contemporary Arts (BaCA) a multicultural hub featuring galleries and studios showcasing the work of world-class artists, weekly performance events, art activities, classes and concerts.

Try your luck at the smoke free Isle Casino with 1,500 slots, 38 live action poker tables and 6 restaurants. Adjacent to the Isle, is Pompano Park Racing known as the "winter capital of harness racing".

Visitors are able to experience all the action South Florida has to offer in a small town atmosphere. Pompano Beach is Florida's Warmest Welcome. [pompanobeachfl.gov](http://pompanobeachfl.gov)

# Greater Fort Lauderdale

## *A Truly Great Location!*

Imagine a place where nearly any activity is available and is served up with sunshine and a smile. The people here are as warm and inviting as the climate, which is no small feat, considering the climate boasts more than 3,000 hours of sunshine each year and a balmy 77 degree average annual temperature. Welcome to Greater Fort Lauderdale, where your vacation is limited only by your imagination. You can take a well-deserved break or be pushed to the limits of your desires.

No matter how you slice it, Greater Fort Lauderdale is clearly a world-class destination. From luxury megayachts to high-performance speedboats, stretch limousines to sports cars and the finest resorts to multi-million dollar estates, South Florida has the glamour that truly belongs in the movies.

In fact, many movies, television programs and music videos are filmed in South Florida. Not just a backdrop anymore, South Florida's exotic landscapes and art deco icons lend another dimension to numerous film projects from classic films including "Where the Boys Are" and "Caddyshack" to "Casino Royale" and "Miami Vice". On the small screen, just take a look at CBS' "CSI: Miami", "Burn Notice" on USA Network, "The Glades" on A&E and "Dexter" on Showtime as South Florida's colorful image continues to shine.

If it's culture that you seek, you'll be pleasantly surprised at the array of options. Museums and galleries display marvelous fine art, hands-on science fun and historical highlights, while

performing arts venues offer stellar performances of popular and classical music, dance, theatre, comedy, opera, a world-renowned ballet company and everything in between. And don't miss the many outdoor art festivals, craft shows, and concerts under the stars.

Jazz lovers flock to the Riverwalk in downtown Fort Lauderdale the first Sunday of every month for the SunTrust *Sunday Jazz Brunch*. Jazz bands and solo artists perform from 11 a.m. to 2 p.m. on five outdoor stages along the New River.

Looking for a relaxing lunch, a romantic dinner or a pulsating dance floor? With some 4,000 restaurants and over 130 nightclubs, you can dine on a distinct cuisine at every meal and enjoy diverse culture every night.

If a day at the beach is calling your name, find the spot that beckons to you from more than 23 miles of sand and surf. Settle in with a good book and a bottle of lotion and you won't have a care left in the world.

Perhaps, you'll be in the mood to venture into the water. Scuba dive or snorkel in this locale and you'll be treated to a unique three-tiered natural reef system plus more than 81 artificial reefs. Hosting over 100 dive sites, Greater Fort Lauderdale is the wreck

dive site capital of the United States.

Plenty of excitement awaits above the water line, from entertaining sightseeing cruises on the Intracoastal Waterway to hard-fought battles with some of the greatest sportfish in the Atlantic. Options range from deep-sea fishing, freshwater fishing, sailing, windsurfing, jetskiing, waterskiing, and parasailing to Everglades excursions. With more than 42,000 resident yachts, 100 marinas and boatyards and more than 300 miles of inland waterways, this "Venice of America" will accommodate your need for adventure.

If you're ready for some shopping, how does the thought of 12 shopping malls and over 1,000 specialty retail shops strike you? You can find everything you want, from the finest merchandise in exclusive Las Olas boutiques to the biggest bargains in bustling flea markets.

When you're ready to sit on the sidelines and cheer on your favorite team, you're in the right place. South Florida plays host to all four major professional sports. Check out the *Great Locations Calendar of Events* for upcoming games.

# The Florida Everglades

## *Rich in History and Beauty*

Often described as a fragile ecosystem, the Everglades is rather a stubborn and resilient place that has defied human subjugation. The diverse array of ecosystems that make up the Everglades provides an abundance of opportunities to explore, experience and better appreciate North America's greatest wetland.

Following the historic flow of the Everglades from Lake Okeechobee southwest to Florida Bay, you'll come across – just south of the “Big O” – the famed “River of Grass,” a seemingly endless prairie of sawgrass that, during the rainy season, is adorned with string lilies, marsh mallows and other colorful wildflowers. Alligators, black bear, white-tailed deer and bobcat roam, while egrets, herons, anhinga and roseate spoonbills stalk the nearly imperceptible flow of water in search of a meal.

The National Scenic Byway known as the Tamiami Trail bisects the river and offers opportunities to explore the pinelands, prairies and cypress swamps, including camping, hiking trails and viewing platforms. Walk the boardwalk beneath centuries-old cypress that dominate the swamps and provide a sounding board for woodpeckers, nests for owls, support for orchids, bromeliads and epiphytes (air plants), as well as shelter for the endangered Florida panther.

Along the coast, you can search for rays, dolphins, manatee and tarpon that abound in the 10,000 islands and along the 99-mile Wilderness Waterway. Here, marshes and mangrove forest buffer the River of Grass from salty Florida Bay, itself home to American crocodiles, corals, sponges and a wide variety of fish and shellfish.

The lure of the Everglades encompasses more than flora and fauna, however. Home for centuries to the Seminole and Miccosukee Native American tribes, the Everglades today provides ample opportunities to learn about these proud people and experience their culture, history and way of life.

Explore on your own or take guided tours that navigate through the vast and majestic world of the Florida Everglades.

# Watersports

## *Water, Water Everywhere – and Non-stop Fun for All*

With 23 miles of beautiful coastline, plus numerous lakes and waterways, Greater Fort Lauderdale boasts an incredible array of watersports that offer something for everyone.

Our pristine beaches are a great place to start. Jump on a surfboard, Jet Ski or Wave Runner - or catch the wind as you steer your own sailboat under the clear blue sky. Push your limits as you soar above the sand and sea while parasailing or kite-surfing. You can even snorkel right off the beach in many locations, where the reefs are within 100 yards of the shore. It's easy to make it a day at the beach – or even two or three.

To explore the Venice of America like a native, rent a pleasure boat and cruise the more than 300 miles of navigable waterways, including the scenic Intracoastal Waterway and New River. Or get close to nature as you paddle a canoe or kayak through the quiet channels among the coastal mangroves, where you just might encounter dolphins, manatees and other intriguing marine creatures in their native habitat.

If flyboarding, wakeboarding or waterskiing is your passion, you can find plenty of opportunities to show off your skills on calm, expansive lakes that are perfect for the sport. Beginners can start from scratch with expert instruction and be up on their feet in no time. You'll find barefoot skiing, kneeboarding and stand-up paddle boarding, too.

For the fishing enthusiast, charter your own boat for a full or half day of offshore sportfishing for you and a few others - or enjoy a relaxing drift fishing excursion. Drift boats offer three trips daily for singles or groups of up to 50. If you prefer to stay on shore, landlubbers can fish or sightsee 24 hours a day from any of our four area fishing piers.

Underneath South Florida's waters, you can find 81 artificial reefs, 69 miles of live coral reef and some 400 species of fish - most within a mile of the shore. For an up-close-and-personal view, head out for a snorkeling excursion or scuba dive beneath the waves with an ocean reef or wreck dive. If you prefer to stay dry, glassbottom boat tours provide spectacular views.

Above or below the water, you'll always find countless ways to experience the never-ending appeal of South Florida's sparkling and seductive waters.

# Attractions

*Attractions abound for every reason & season*

From sunup to sundown and well into the night, the agenda of activities to enjoy in the South Florida area simply never ends.

Deciding where to begin is half the fun. Our family-friendly cultural attractions run the gamut from interactive, hands-on art and science experiences to top-notch exhibitions featuring the best of classic and contemporary art. Glimpse into Fort Lauderdale's storied past and the proud heritage of the Seminole tribe, by visiting one of our historic sites or museums. Catch a Broadway show, a world-class concert or a mind-blowing IMAX® adventure.

And don't forget the animal kingdom! Encounter the colorful inhabitants in Butterfly World's lush rainforest; come nose to nose with the king of the jungle at Lion Country Safari; view over 70 species of native birds in the Free-Flight Aviary at Flamingo Gardens. See kangaroos, twin orangutans and a liger (half lion, half tiger) at Jungle Island; or have the experience of a lifetime on an underwater walking journey at Miami Seaquarium's new SEA TREK® Reef Encounter.

Do you feel the need for speed? You'll find heart-pounding indoor go-kart action – or saddle up even more horsepower by renting a classic motorcycle and taking to the roads with the wind in your hair.

Once your pulse has returned to normal, board a sailing catamaran for a sunset cruise or take a sightseeing or dinner cruise on a riverboat past millionaire and celebrity homes, megayachts and tropical enclaves in the Venice of America. See mansions, megayachts and historic sights from both land & sea on the unique amphibious Duck Tours. When you're back on dry land, explore the area at your own pace with a bicycle tour or a scooter rental.

For excitement of a different nature, Las Vegas-style slots, high-stakes poker and casino action are all a big part of the growing Greater Fort Lauderdale gaming scene. Place your bets at the Isle Casino & Racing at Pompano Park. You can also test your luck in the casinos aboard one of our casino ships such as Bahamas Paradise Cruise Line, Bahamas Express or Bimini SuperFast. Add big-name entertainment and exciting nightlife, and you'll never want to depart one of the world's greatest locations.

With more than 200 luxury resorts, boutique hotels, historic bed and breakfasts, and well-known inns, over 150 golf courses, 1,100 tennis courts, and several thousand restaurants, if it's elegance and extravagance that intrigues you, you'll find it in the Palm Beaches.

Palm Beach has long been known as the cultural epicenter of South Florida. There are more than 40 cultural venues in this glamorous county, including the Kravis Center for the Performing Arts, Norton Museum of Art, Morikami Museum, Mizner Park Amphitheater and the Boca Raton Museum of Art. # Miami & South Beach

## *A South Florida Hot Spot!*

Internationally known for its nightlife, beautiful people and tropical weather, Miami has come by its reputation honestly. Serving as more than a cultural melting pot of South Florida, Miami is also a hub of industry, fashion and entertainment. Inspiring trends in clothing and songs by numerous performers, Miami tops the charts as the Southern city that doesn't sleep.

Just step into the South Beach scene to realize why the area surrounding Ocean Drive and the Art Deco neighborhood has become the destination of choice for fashion photo shoots, television shows and motion picture productions.

Significant architecture also abounds in this historic South Florida atmosphere. Covering everything from the famous Italian Renaissance mansion, – Vizcaya Museum & Gardens, to Coconut Grove, Coral Gables, Key Biscayne, the South Beach strip and Lincoln Road Mall, the diversity and style of Miami are reflected in the structures that lend themselves so perfectly to this coastal city.

The pervasive Latin American influence has also played an integral role in shaping the artistic landscape of Miami.

The city plays host to several art festivals, including *Art Basel Miami Beach* in December, the most important art show in the United States and the legendary *Coconut Grove Arts Festival* in February.

The seaside location and subtropical climate are only two of the many reasons that make Miami such an inviting place to visit. To learn more about this international city, call the Greater Miami Convention and Visitors Bureau at (305) 539-3000 or go online to **[www.tropicoolmiami.com](http://www.tropicoolmiami.com)**.
